FOR IMMEDIATE RELEASE

The 18V LXT Grass Shear (XML05Z) features a dual-action blade and faster blade speed at 2,500 SPM.

MAKITA LAUNCHES NEW CORDLESS GRASS SHEAR

The 18V LXT Grass Shear (XMU05Z) has a dual-action blade for smooth shearing.

August 17, 2021, La Mirada, CA – Makita U.S.A., Inc., manufacturer of high-quality professional outdoor power equipment, tools, and accessories, has launched the 18V LXT® Cordless Grass Shear (XMU05Z, tool only). It is a compact and cordless solution for grass trimming and cutting.

The XMU05Z has dual blade action and a 4-5/16" cutting width. It delivers faster blade speed at 2,500 strokes per minute/SPM. Users can get up to 2 hours of run time with a fully charged 18V LXT 5.0Ah Battery (sold separately).

Additional features include a rubberized soft grip handle, tool-less blade changing, and non-electrolyzed nickel-plated blades to resist staining and rusting.

18V LXT® System

The LXT System, the world's largest cordless tool system powered by 18V lithium-ion slide-style batteries, takes a user from power tools to outdoor power equipment to get the job done. Makita's purpose-built motors, battery technology, and enhanced communications work together to deliver unmatched power, speed, and run time. With solutions for every trade, users get maximum performance and efficiency with the LXT System.
