*U.S. Consumer Product Safety Commission – Recall*

**Release Date: September 4, 2025**
**Release Number: 25-DRAFT FOR CLEARANCE 8/26/25**

# Makita U.S.A., Inc. Recalls Cordless Grease Guns and Grease Gun Hoses Due to Laceration Hazard

## Recall Summary

**Name of Product:** Makita Professional Cordless Grease Guns and Makita Grease Gun Hoses

**Hazard:** The flexible grease gun hose can develop a hole allowing grease to be ejected while using the grease gun, posing a laceration hazard.

Commented [PD1]: Flying grease can cut you?

Commented [SH2R1]: Yes, similar to using water pressure to cut through hard materials.

**Remedy:** Replace

Consumers should immediately stop using the recalled Makita Cordless Grease Guns and Makita Grease Gun Hoses and contact Makita for a free replacement hose.

**Consumer Contact:** Makita U.S.A., Inc**.** toll-free at 800-462-5482 from 8 a.m. to 7:45 p.m. ET, Monday through Friday, or by email at greasegunrecall@makitausa.com.

Consumers may also visit the company's website at www.makitatools.com/recall or go to www.makitatools.com and click on "Important Safety Notice/Recall" located at the top right of the page under "Support" for recall details and additional information.

## Recall Details

**Units:** About 62,927

**Description:** This recall involves Makita Professional Cordless Grease Guns with model numbers XPG01S1, XPG01SR1 and XPG01Z, and Makita Grease Gun Hoses with model numbers 191A79-9, 191A80-4, 191W59-7 and 191W58-9. All affected models have spring ends. The model number is located on the manufacturer label on the right side of the grease guns. The following ranges of serial numbers are included in this recall. The serial number is located on the battery mounting port on the grease guns.

| Product | Model No. | Serial No. (From) | Serial No. (To) |
|---|---|---|---|
| Grease Gun | XPG01Z | 1624 | 2163 |
| | | 3030 | 5088 |

Commented [NN3]: What does "from" and "to" mean? Is this a range of serial numbers? Are these the last four numbers?

Commented [SH4R3]: Yes this is a range. The "to" section identifies the last numbers in the range.

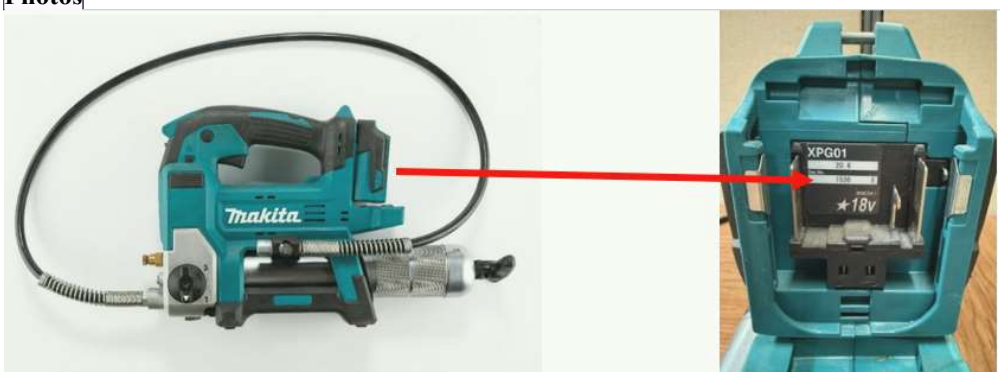
**Incidents/Injuries:** The firm has received five reports of incidents worldwide of the grease gun hose failing, including five laceration injuries. All five incidents were reported outside the United States.

**Sold at:** Hardware and home improvement stores nationwide and on various websites from June 2020 through January 2025 for between $60 and $390.

**Importer:** Makita U.S.A. Inc., of La Mirada, California

**Manufactured in:** China

## Photos



**Recalled Cordless Grease Gun and location of Serial No.**

**Recalled Grease Gun Hose (Models 191A79-9, 191A80-4, 191W58-9 and 191W59-7) with spring end shown**

Commented [SH5]: 1.We need photos of the two grease guns. 2. Photo of where the model number can be found on the grease gun. 3. Photos of the hoses that also show where identifying print on the hoses can be found.

Commented [NN6]: The red arrows must be embedded in all the images, not floating.

Commented [SH7R6]: Fixed

**Replacement Hose (Model 1916V6-0)**

Commented [NN8]: Do you mean for this to be one image? Either way, the red arrow must be embedded, not floating.

Commented [SH9R8]: All subject hosed have this spring end the arrow is pointing to. Floating arrow fixed.

Commented [NN10R8]: Please add text in description section regarding the spring ends so consumers know what is being pointed out.

**About the U.S. CPSC**
The U.S. Consumer Product Safety Commission (CPSC) is charged with protecting the public from unreasonable risk of injury associated with the use of thousands of types of consumer products. Deaths, injuries, and property damage from consumer product-related incidents cost the nation more than $1 trillion annually. Since the CPSC was established more than 50 years ago, it has worked to ensure the safety of consumer products, which has contributed to a decline in injuries associated with these products.

Federal law prohibits any person from selling products subject to a Commission ordered recall or a voluntary recall undertaken in consultation with the CPSC.
